PRE-AUTHORIZATION PROGRAM

Center for Diagnostic Imaging (CDI) is pleased to offer a unique pre-authorization assistance program, which streamlines your office workflow and helps patients get their scans scheduled sooner.

Our experienced specialists are experts in obtaining appropriate authorizations and can assist you in acquiring your pre-authorization.¹

PRE-AUTHORIZATION ASSISTANCE PROGRAM BENEFITS:

- Removes burdensome authorization backlog
- Improves patient throughput and satisfaction
- Expedites office workflow
- Enables patients to have their procedure and results completed earlier

FOR PRE-AUTHORIZATION FAX THE FOLLOWING² TO YOUR PREFERRED CDI LOCATION:

1. Written provider order for imaging exam
2. Clinical notes and patient's demographic information
3. Referring provider tax ID number (if required by the patient's insurance)

¹Please note that authorization assistance will only be provided when permitted by the patient's payor.

²Some payors may require additional information.
