

Pre-Authorization Assistance Program

Center for Diagnostic Imaging (CDI) and Insight Premier Health offer a unique pre-authorization assistance program to save you time and get your patients scheduled sooner. Our experienced specialists are experts in obtaining appropriate authorizations and can assist you in acquiring your pre-authorization.*

We specialize in answers.

For pre-authorization, fax the following** to 207.883.6370:

1. Written physician order for imaging exam
2. Clinical notes and patient's demographic information
3. Referring physician tax ID number (if required by the patient's insurance)
4. Please specify requested imaging site

*Please note that authorization assistance will only be provided when permitted by the patient's payor.

We are not able to obtain pre-authorization for breast MRI, PET/CT or STAT exams.

**Some payors may require additional information.
