

Your partner in chiropractic imaging

When you need imaging to guide a patient's care, you want a partner you can trust.

The right exam at the right time can help you make informed clinical decisions to best guide patient care. When you refer your patients to Center for Diagnostic Imaging (CDI) you'll get answers that will help put them on the path to wellness.

WE OFFER:

- Local, subspecialized, board-certified radiologists who interpret patient exams and are available for consult
- Customized protocols
 - Weight-bearing imaging
 - Scoliosis and leg length X-ray exams
 - Flexion/extension imaging of the cervical and lumbar spine for a detailed diagnosis
 - Standing/seated MRI available with Open Upright MRI
- Acceptance of letters of protection from your patients working with attorneys on an active claim
- Pre-authorization assistance through our in-house insurance specialists, with expertise in billing L&I (Workers' compensation), PIP and most insurance plans
- Reports, images and online ordering at insideCDI.com
- CDI-sponsored Chiropractic CE credit opportunities. Learn more at myCDI.com/WAChiro
